Hi Emilio and Cristina –

Attached you will find the updated 8 Week Plans that our team put together for our time on Thursday. I also reattached our agenda for tomorrow. Please take a look at both documents prior to our check-in tomorrow so that we can answer any questions / feedback you might have.

Additionally, as we prepare for next Monday's Regional Meeting at Conference I had a few questions to ask.

1. By when would you want / need content for the regional meeting?
2. Do you want to find time on Monday morning to go over content and address any last minute questions?

I will send you all more information regarding Conference later this week.

Best,

Luis
